## Campaign Chronicles

Volume 4 • September 15, 2023

As Mayor, I'm going to make sure our police department has every single resource at their disposal to keep our streets safe! Utica has always been a great place to raise a family and I'm going to keep it that way!

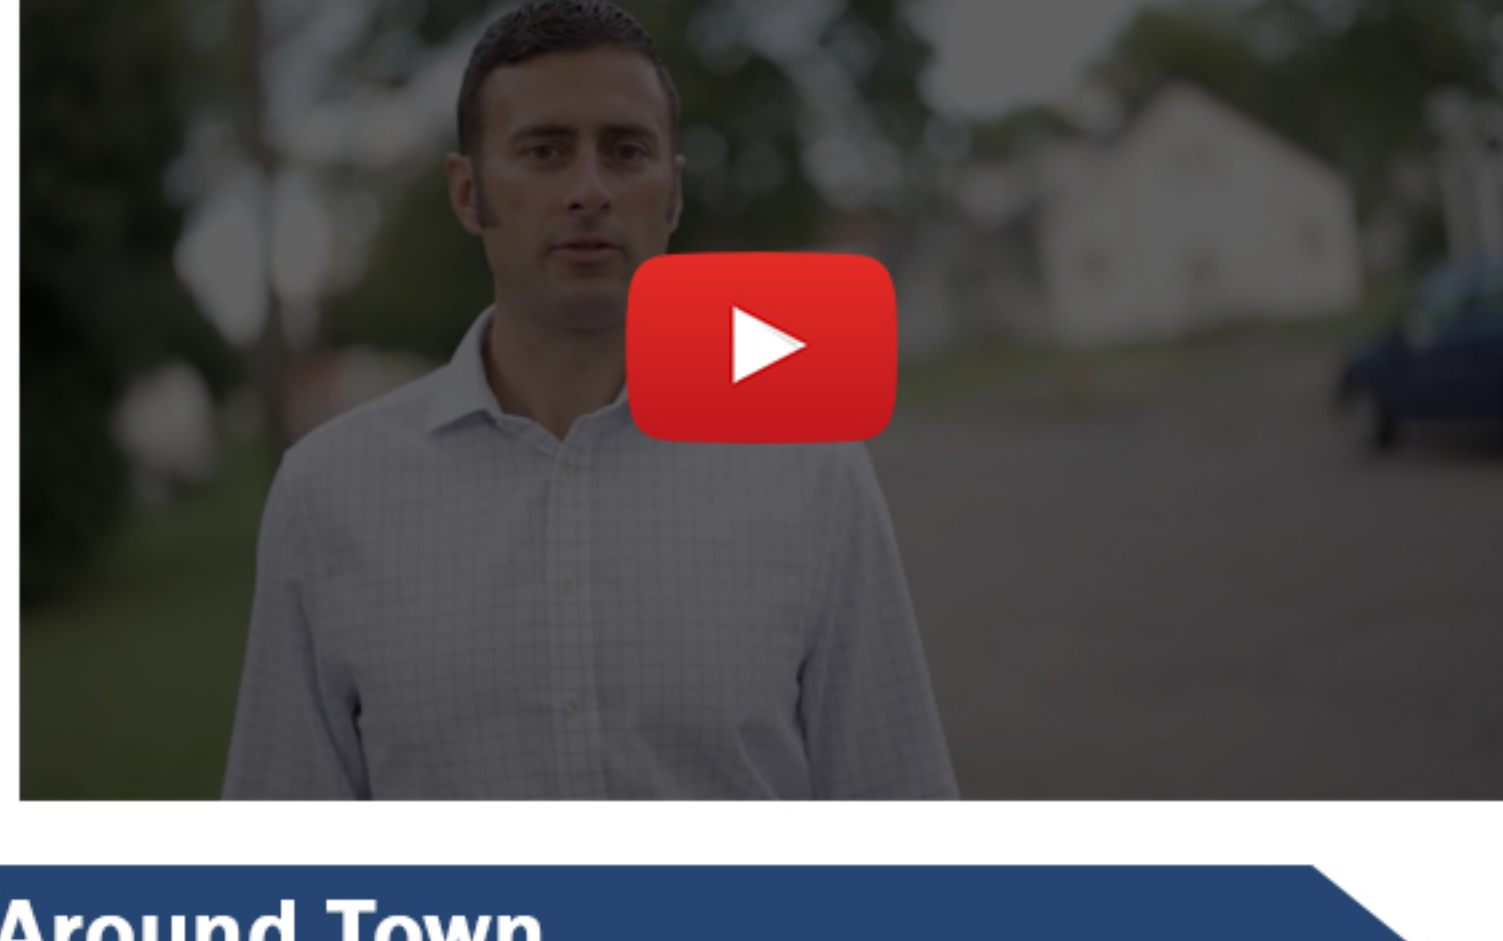

### Public Safety

Under my prospective Administration the safety and security of our schools will be paramount. I will mandate that our departments have every resource available to protect our community, and as Mayor I will stand up to, fight against, and find solutions to the impediments that state laws impose on our ability to reduce the criminal activity that led up to the horrific events last Saturday on school grounds.

Regarding the response to the shooting, I want to commend the school district, UPD, and all collaborating departments on ensuring our children were in good hands Monday morning, and say Godspeed to Jeff Lynch in his recovery, as well as all impacted by this event.

Utica has always been a place to raise a family, and I'm going to keep it that way.

Please watch the following message.
