Campaign Chronicles

Volume 7 • October 9, 2023

Jeff Lynch and Mike Galime exclusive.

Jeff Lynch, the Proctor High School security guard who suffered a gunshot wound on September 9th, 2023 and is in the process of a miraculous recovery reached out after the tragic events on September 9th, 2023.

Jeff's outlook is one of care and compassion for everyone involved.

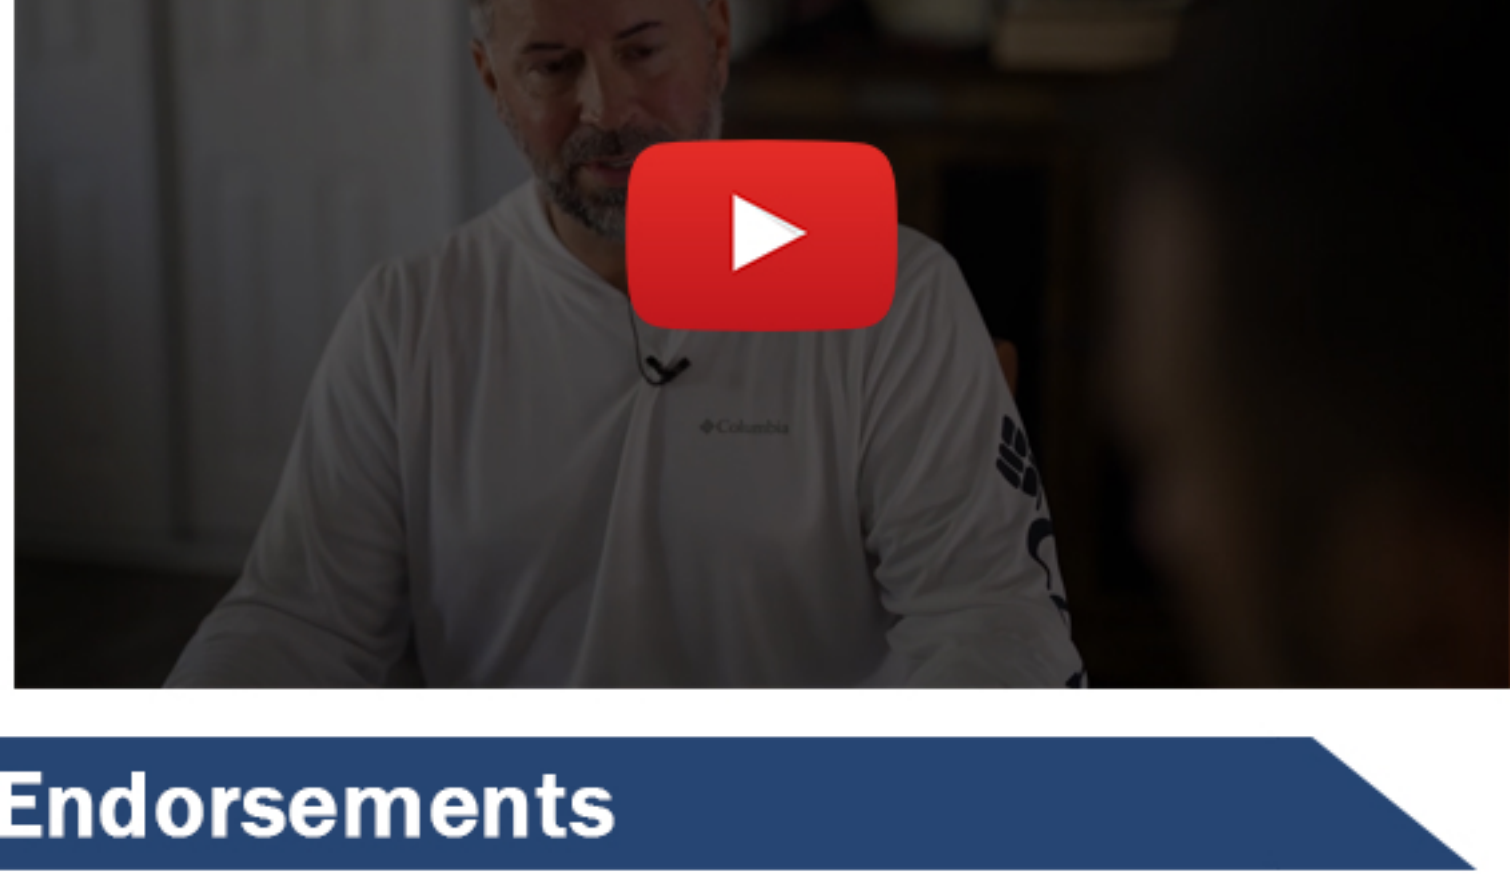

He was blessed that day and I want people to hear his message.

We need this message.

This video is the first of many conversations that will follow. Please give it a watch.

I'm proud to say that Jeff is confident in my ability to lead the city and make a difference in how we move forward addressing public safety.

"I've known Mike Galime for quite a while as a family man, as a friend, he's a neighbor. But more importantly, he's a professional. He's the guy who can get this job done for the city of Utica. And I believe, party affiliation aside, that person is Mike Galime."
